WHEREAS:

1. The North Channel Yacht Club ["NCYC"] was originally an unincorporated association which formed on or about April 22, 1970;
2. In April 1975, an Application was made to the Ontario Ministry of Consumer and Commercial Relations for Incorporation of a Corporation Without Share Capital to be known as "North Channel Yacht Club" subject to the unincorporated body undertaking to discontinue carrying on business under the name and style of North Channel Yacht Club;
3. By Letters Patent issued the 7th day of August 1975 by the Minister of Consumer and Commercial Relations, the Application was granted and the Corporation came into existence as a legal entity with the following particulars:
 - a. Ontario Corporation Number: 305155;
 - b. Objects: "To operate a marina and private yacht club";
 - c. Head Office: to be situated in the Township of Spragge;
 - d. Restrictions:
 - i. The Corporation shall not maintain a clubhouse or similar premises other than on the north shore of Lake Huron in the village of Spragge;
 - ii. The Corporation shall be carried on without the purpose of gain for its members and any profits or other accretions to the Corporation shall be used in promoting its objects;
 - iii. The Corporation is prohibited from operating a common gaming house;
4. The Letters Patent are the constituting documents of the Corporation [The "**Constitution**"];
5. The Corporation is governed by the provisions of the *Corporations Act*, Revised Statutes of Ontario, 1990, Chapter C.38 as amended from time to time and in particular Part III thereof [the "*Corporations Act*"];

6. Section 129 of the *Corporations Act* authorizes the passing of by-laws governing the conduct of the affairs of the Corporation;
7. It appears that the by-laws of the unincorporated association were adopted as the by-laws of the Corporation with some amendment to reflect the requirements of the *Corporations Act* of Ontario;
8. The *Corporations Act* has been amended over time and the by-laws have not been amended to reflect such changes and are in some respects in contravention of the Act;
9. Due to the passage of time, it is considered desirable that the by-laws be revised by way of repeal and adoption of a fresh operating by-law;

NOW THEREFORE BE IT ENACTED AND IT IS HEREBY ENACTED as **By-Law #1** of the Corporation in substitution for any pre-existing By-Law #1, which pre-existing By-Law(s) are hereby repealed, as follows:

A by-law relating generally to the transaction of the affairs of The North Channel Yacht Club.

5.8.2 FULL MEMBERSHIP:

5.8.2.1 Any persons may apply to be admitted to Full Membership as individuals or as a Membership Couple [spouse/companion/significant other] as in 5.8.2.3 below.

5.8.2.2 A Full Member:

5.8.2.2.1 who is not part of a Membership Couple, is entitled to two votes at meetings of members;

5.8.2.3.5.2 If they cannot agree, then each must reapply to become a Full Member as an individual, in which case, if such membership application is granted, such member will, in so far as the Club is concerned, be credited with a percentage of the fees paid for that year as the Management Committee deems appropriate after reviewing the facts of such case; in an attempt to equitably adjust fees between the couple.

- 1.7.1 Retain the rights and privileges that attend their membership class prior to becoming a Cruising Member [e.g. voting privileges, seniority, mooring position and space on the storage rail] if they pay the full fees that accompany each of such rights and privileges [e.g. annual membership, work party, and boating fees] for each year or part thereof that they are away from the Club;
- 1.7.2 Are entitled to have their membership fee reduced to \$100.00 if they extend [see Cruising – Extended Schedule A 1.3 above] their absence from the Club beyond the end of the second whole boating season following their departure, in which case they retain their membership number and storage privileges [storage box and cradle in the yard], but don't retain space on the storage rail or their mooring position;

- 1.7.3 To retain their rail storage and mooring position privileges, Cruising Members must pay their full annual membership [annual and work party fees] and boating fees each and every year, including the first two years, while they are away from the Club;
- 1.7.4 If rail storage and mooring position privileges are relinquished, seniority is retained, but seniority does not entitle the senior member to “bump” another member from their rail storage privilege or from their mooring position, but only entitle the member to be higher on the waiting list relative to new or vacant spaces being allocated.

1.8 Boating Fees & Storage Fees:

Category	Particulars/Description	Boating Fees:	Storage Fees:
All Boats except as below	Fee is calculated on the basis of area of the boat [length x beam] as determined by www.sailboatdata.com	\$0.80 per square foot of boat area <i>[amended AGM 2019]</i>	\$0.80 per square foot of boat area <i>[amended AGM 2019]</i>
Dinghies	Affiliated with any of the above boats	No Charge	No Charge
Misc.	Sailing dinghies, Runabouts etc. retrieved after each use other than those allowed under Article 1.8.1.4 below of this Schedule and affiliated with any of the above boats	No Charge <i>[amended AGM 2015]</i>	No Charge <i>[amended AGM 2015]</i>

- 1.8.1 Payment of the **Boating Fees** entitles the member:
 - 1.8.1.1 to use of the docks, electricity, and water facilities;
 - 1.8.1.2 to an assigned mooring location, if available;
 - 1.8.1.3 to use of Club owned on-water equipment; and
 - 1.8.1.4 to place an approved storage box in a location designated by the Fleet Captain, for the enjoyment of:
 - a vessel that is accepted into the Club by the Management Committee, and
 - a maximum of three tenders or boats, each not longer than half of the length of the member’s accepted vessel.
- 1.8.2 Payment of the **Storage Fees** entitles the member:
 - 1.8.2.1 To use of the marine railway, rail storage, electricity, water, launch and haul-out facilities;
 - 1.8.2.2 To use of NCYC owned shore equipment;
- 1.8.3 The annual Boating and Storage Fees are for each membership year or part thereof during which the member has a vessel registered with the Club.

- 1.8.4 A member may have the Storage Fees otherwise payable waived if all of the following terms are met with respect to each year of fees waived:
- 1.8.4.1 The member undertakes in writing not to use NCYC facilities or premises to haul-out or launch or store the member’s boat or cradle [except for cradle storage off the rails and except for the dinghy launch ramp]; for added clarity and certainty, it is the intent of this provision that if the members use the facilities or premises for any one or more of haul-out, launching or storage of the member’s boat or cradle, then such use disentitles the member to the waiver of the Storage Fees.
 - 1.8.4.2 The member removes the boat’s cradle, if any, from the marine railway rails;
 - 1.8.4.3 If the member’s cradle is to be stored in the yard, the member agrees to pay any applicable storage fee;
 - 1.8.4.4 The member acknowledges in writing that if the cradle is removed from the rails;
 - 1.8.4.4.1 there is no guarantee of space on the rails should the member later desire to resume use of the rails;
 - 1.8.4.4.2 While seniority is retained, such seniority does not entitle the senior member to “bump” another member from their rail storage, but only entitles the senior member to be higher on the waiting list relative to new or vacant spaces being allocated if and when any become available and there is no guarantee of such availability;
- 1.8.5 In the year of final departure of the vessel from the Club, the prior year's fee will cover the use of yard and waterfront facilities up to two weeks after the date of official opening of the boating season [as determined by the Management Committee] for that final year. After that time, either the new year’s boating fees must be paid, or the owner must pay each week the rate charged for visiting boat dockage while the boat is at the club.
- 1.8.6 *For Cruising Members, Boating fees will be waived for the time a member is on an extended cruise away from the Club if:
- 1.8.6.1 The member requests such waiver in writing in advance of commencing the cruise;
 - 1.8.6.2 The absence from the Club is for a full boating season for each year of fees waived;
 - 1.8.6.3 The member agrees that temporary return of the vessel to the Club will entail dockage fees at the same rate as other visiting vessels as though the member were not a member, to a maximum of the annual boating fees for that year, including any extras for slip rental privileges etc.;
 - 1.8.6.4 The member pays the full membership fee [i.e. does not elect the reduced fee as in 1.7.2 above] and agrees that the member’s assigned mooring location can be assigned temporarily to others during the member’s extended cruise period; *[amended AGM 2015]*

- 1.8.7 After three years of absence from the Club while on extended cruise, the member waives any pre-existing mooring location assignment and space on the storage rail unless boating fees and full annual membership fees are paid each year of the cruise as though the member's vessel were present at the Club;
- 1.8.8 To retain their mooring location and space on the storage rail, cruising members must pay their full annual membership and boating fees each and every year, including the first three years, while they are away from the Club;
- 1.8.9 When a Member, or Membership Couple, brings a second vessel to the Club before removing the first vessel, a period of up to four months will be allowed for both vessels at the club, after which a second boating fee will be payable for each year or part of a year that both vessels are at the club until one of the vessels is disposed of;
- 1.8.10 Boating fees are not prorated or refunded by the Club. If the vessel is sold and leaves the Club, boating fees will not be refunded;
- 1.8.11 When a member sells a vessel to another member or prospective member, adjustment of the boating fee is a private matter between vendor and purchaser;
- 1.8.12 When a vessel has been sold to a non-member who does not immediately apply for membership, the member who sold the vessel remains responsible for fees related to storage, launching, haul out or mooring of the vessel and any additional fees associated with it until the vessel has been removed from the Club premises; *[new AGM 2015]*
- 1.8.13 A new member or a member who purchases a vessel from a member who's boating fee is paid for that year, will be assessed a boating fee for that same year; *[amended AGM 2015]*

- 1.8.14 When a member sells a vessel to another member and brings a replacement vessel to the club, a new boating fee is assessed for the difference in the replacement vessel. If the replacement vessel is larger, the member pays the difference between the boats. If the replacement vessel is smaller, no fees will be refunded to the owner, as per 1.8.10; *[amended AGM 2015]*

Commentary:

1. The provisions in 1.8.10 through 1.8.14 are intended to be a complete code of practice to be applied whenever ownership of a vessel at the Club changes.
2. When ownership of a vessel changes, there are 3 relationships that are affected:
 - a. Seller and Buyer
 - b. Seller and NCYC
 - c. Buyer and NCYC
3. NCYC should not become engaged in the relationship between Seller and Buyer, because that is a private negotiation between those parties. If NCYC gets involved, it is possible that a potential transaction falls apart and NCYC could be sued by either party or both for interfering in a private matter and causing an injury to the economic interests of the Buyer and/or the Seller. NCYC is also interested in preserving relationship with all members and so should avoid occasions for getting embroiled in a matter between members or between a member and potential new member.
4. The provisions in 1.8.12 through 1.8.14 give direction for the invoicing of fees and do not depend upon the private arrangement between Buyer and Seller. The Treasurer should just apply these provisions without regard to any adjustment between Buyer and Seller.
5. The Buyer and Seller should be reading 1.8.10 through 1.8.14 and using them to settle the terms between them and making what adjustment they want as between them, knowing what the outcome of NCYC invoicing will be.
6. If it should happen in a rare case that an inequity results and NCYC gets a windfall in some fees that otherwise it would not receive had ownership not changed, then the MC can use By-law Article 9.1.7 or Schedule A 1.9.11 to waive the additional fee if it appears appropriate to do so. But the MC should not get involved in direct negotiation as between Buyer and Seller.
7. See Article 9.1.7 in the By-laws and 1.9.11 in this Schedule A.

- 1.8.15 A member selling a vessel is not eligible to sponsor the new member's application, if the selling member is leaving the Club;

- 1.8.16 If a member dies, the spouse may be granted one free year in which to sell the vessel, after which full membership, boating fee and work party fee will be payable.

1.9 FEES GENERALLY:

- 1.9.1 All members will pay fees in accordance with these Fee Provisions.

- 1.9.2 In order to exercise voting privileges, members must be in good standing and must have paid all fees due and payable to the Club prior to the meeting at which a vote is to be exercised. *[Amended SPM 2021]*

- 1.9.3 Except for new members, fees are due March 1st in each year, but may be paid in equal instalments on or before March 1st and May 15th; *[Amended SPM 2021]*
- 1.9.4 New members pay a deposit of \$500 fees at the time of making their application for membership. The rest of the fees are due upon acceptance as a member. The new member may elect to pay the initiation fee in two equal instalments over two years; *[amended AGM 2015]*
- 1.9.5 If fees are not paid in full by May 15th:
 - 1.9.5.1 the member is not in good standing until the fees are paid in full; and *[Amended SPM 2021]*
 - 1.9.5.2 interest is charged on the unpaid balance at the rate of 2% per month compounded monthly, the equivalent of 26.8% per annum;
- 1.9.6 Fees are not refundable even if a member resigns from the club or otherwise loses or discontinues membership;
- 1.9.7 Fees are assessed annually and are not pro-rated irrespective of when a member joins the Club. *[Amended SPM 2021]*
- 1.9.8 New members who join after September 1st and before October 1st and decide to store their boat in the yard, will be assessed storage fees plus initiation fee and membership fee, but will not be assessed boating fees; *[Amended SPM 2021]*
- 1.9.9 *[Deleted SPM 2021]*
- 1.9.10 The provisions of this Schedule “A” may be amended from time to time by the Management Committee, without amendment of the By-Law, but, with the exception of a Special Levy, changes in fee rates and levies must be ratified by the membership at a general meeting of members before such can be levied;
- 1.9.11 The Management Committee has discretion to waive in whole or in part the fees or levies payable by a member on compassionate or other grounds. If the Management Committee declines to waive a fee for a member, such decision is final and not subject to appeal to the membership at a meeting of members.

Commentary:

1. See also Article 9.1.7
2. At the 2017 AGM, the MC was encouraged to use this provision to allow long term members who have given 15 years or more of service to the Club and who have reached 80 years of age to be exempted from future work party fees. [See AGM 2017 Minutes item 6 i) c)] See now Schedule A: 1.6.13 added SPM 2021 which also deals with this issue.

1.10 FEES UPON ADMISSION TO MEMBERSHIP:

- 1.10.1 Upon making application for membership, the applicant must attach to the application a cheque for \$500. The remaining fees are due upon admission to membership; *[amended AGM 2015]*

- 1.10.4 New members who join prior to September 1st must pay fees for that year and such fees are not pro-rated. It is suggested that Summer Membership be considered instead or that the applicant indicate that membership is sought for membership only after September 1st;
- 1.10.5 New members or Summer Members who join on or after September 1st but before October 1st and are storing their boat for the winter, must pay initiation fee, membership fee and winter storage fee for the upcoming winter. 1.11 FEES UPON CHANGE IN MEMBERSHIP:

- 1.11.1 Members who desire to change their membership class or to resign membership, must do so in writing or make application for such by January 1st in order to avoid liability for fees for the current financial year; *[Amended AGM 2015]*
- 1.11.2 A change in membership class or resignation does not entitle the member to a cancellation or refund or pro-ration of any annual or seasonal fees accrued or paid nor does it relieve the member from responsibility for any debt owed to the Club;
- 1.11.3 *Cruising Members are entitled to exercise certain options concerning privileges and fees. In this regard see Article 5.8.3 of the By-laws and Article 1.8.6 of this Schedule.
